THANK YOU
SO MUCH

Mrs. Andrea

YOU
ARE
LOVED

With so many incredible years here at Dance Moves, Mrs. Andrea has impacted countless dancers and families through her kindness, dedication, leadership, and love for our studio community. From classes and performances to backstage moments and everyday encouragement, she has helped shape Dance Moves into the special place it is today.

While we will miss her deeply, we are so grateful for the years, memories, and heart she has shared with all of us. Please join our staff and studio family in thanking Mrs. Andrea for all the amazing years and help us to wish her all the best in her next adventure.

With love and gratitude,
Your Dance Moves Staff

It is hard to put into words what Andrea has meant to me and to Dance Moves, she has been so much more than my assistant director. She has been my rock, my support system, my teammate, and my partner through every season of growth, challenge, celebration, and change. Through countless recitals, late nights, early mornings, big ideas, and hard moments, she has always been someone I could lean on and trust completely. The impact she has had on our dancers, families, staff, and on me personally will never truly be measured. Her heart for our studio and the people in it has shaped Dance Moves in ways that will last long after this season ends.

While I am incredibly sad to see this chapter close, I am beyond grateful for every memory, every laugh, every conversation, and every moment we shared building this studio together. I will always be grateful for the friendship and partnership we've had over these many years. I look forward to what our friendship can grow into in the future!

Thank you, Andrea, for being such an important part of this journey and such an important part of my life. - Love, Mrs. Stacey
